

### Financial Institutions

The Heber area is served by a branch of the First Security Bank of Utah, N.A. This local banking facility has assets in excess of \$4 million. The parent organization operates 60 branch banks in Utah, Idaho, and Wyoming. Total assets of this banking system are in excess of \$550 million. Through this financial resource, almost any banking or credit need for industrial expansion can be met.

Modern building houses First Security branch bank and local office, Utah Department of Employment Security.

### Schools

Three elementary schools and one high school are located in the Valley. All are modern, well maintained, and staffed by well qualified teachers. Scholastic standards are high. Schools are not overcrowded.
